To Berwick Monthly Meeting of Men and Women Friends —

Dear Friends

We of the Committee of Yearly Meeting appointed to labor in the spirit of holy love with meetings or individuals as we might believe our duty required, deem it proper to inform you that we have been deeply impressed, with the sense of the desolating effects of anything in a meeting like a partizan spirit, that we have been sometimes affected by some instances of that state of things in this Monthly Meeting which tends to intercept

time love and tenderness - that we have given such advice to individuals as we hopefully trust may tend to remove differences - and we earnestly and tenderly advise Berwick Monthly Meeting and all its members to abstain as far as may be from all reference to those painful occurrences, which have in some measure interrupted your harmony, and to be especially careful that your individual and collective action may be in no wise influenced thereby - but that living and moving in the fear and love of the Lord we may trustingly look unto the Head of the Church for his blessing upon it.
